

BRIGHTO GROUP

Brighto Group is a diversified conglomerate with a strong presence across multiple industries — spanning **Technology, Entertainment, Media, Healthcare, Education, Ayurveda, and Global Exports**.

Since its inception, the group has been driven by **innovation, integrity, and impact**, blending traditional values with modern expertise to create sustainable growth across all verticals.

□ □ **Software & Technology**

Our IT division specializes in **custom software development, AI-driven solutions, web and mobile applications, and digital transformation consulting**. We empower businesses worldwide to achieve operational excellence through technology.

□ **Entertainment & Media**

The group's entertainment and media arms produce and distribute **films, music, digital content, and live events**, reaching audiences across multiple platforms. Our media ventures focus on **creative storytelling, digital marketing, and brand strategy**.

□ **Health & Ayurveda**

With a mission to promote holistic well-being, our healthcare and Ayurveda divisions combine **ancient wisdom with modern science**. We manufacture and export **authentic Ayurvedic products**, operate **wellness centers**, and engage in **research for natural healthcare innovations**.

□ **Education**

Our education initiatives focus on **skill development, digital learning, and holistic education models** that prepare individuals for the evolving global landscape. We partner with institutions to deliver impactful **training and e-learning solutions**.

□ **Exports**

Through our export division, we bring **quality Indian products**—from software solutions to Ayurvedic goods—to global markets. Our strong international network ensures **reliability, compliance, and excellence** in every transaction.
